**USA Online Mall's Marketing Service  
Can Do The Advertising For You!**

## **Get Your Business Noticed With USA Online Mall's Web Page Ad Marketing Service:**

Welcome to USA Online Mall Network. We are an Internet Ad Service and Marketing Service, offering Businesses a very low cost way to market their Company throughout the Internet. Our Marketing Service starts advertising your Business once you place a 6-month Web Page Ad (\$12.00) or a 1-Year Web Page Ad (\$20.00) with us.

## **Your Business Will Receive A Web Page Ad With Its Own URL Web Address:**

USA Online Mall's Ad Service provides your Business with a Web Page Ad that has its own URL Web Address, which is placed in USA Online Mall's high traffic searchable Directory that receives over 66,100 Shoppers yearly.....

(See sample Web Page Ad below):

**Click image to see full size Web Page Ad:**

## **We Then Duplicate Your Business Web Page Ad And Make It Search Engine Ready, For Life:**

That's right, by us creating a replica of your Business Web Page Ad, and making it Search Engine ready, it will allow your Web Page Ad to remain available online (hosted free by us) **for life**, never to be deleted unless you want us to, and then indexed by the major Search Engines!

This will allow your Business to keep getting traffic forever, even after your paid Ad with us has expired! Whether it be a 6-month Ad or a 12-month Ad that you order, we will (5 days later) create a duplicate of your Web Page Ad and make it ready for the Search Engines, adding the Meta Tags; Title, Description and Keywords relevant to your Company's Website. Again, we will host it free for life in a specially created Directory for all Clients. This alone is worth the Ad's price!

Please Note; you can't update the duplicate version of your Web Page Ad that we host, so if later on you change the product or service being offered, you'll need to place another paid ad with us, then we'll duplicate that ad with the new product or service being offered. We will (every 30 days) check the links on these duplicate Web Page Ads of our Clients, making sure the Business Websites are still online, and or haven't changed the product or service being offered, then delete the ones that have changed products etc. and or, are no longer online. This keeps the Search Engines from indexing Web Pages that are no longer active.

## **Your Business Ad Submitted To 2000+ Classified Ad Websites:**

We will also create and submit monthly a 10 to 30 word Business Ad (using your Web Page Ad text) with your Web Page Ad's URL to over 2000 high traffic Classified Ad Websites, using \$199.00 High Tech [Classified Ads Submission Software!](#) We do not submit to FFA sites.

People will now see your ads that our Marketing Service has submitted at the over 2000 high traffic Classified Ad Websites. They will then click on the URL that we also submitted along with your ads, this is of course the URL of your Business Web Page Ad, the Customer is then taken to your Business Web Page Ad here in the Mall.

This is where you have described in great detail what it is you are selling or the Service that is being offered. It's best to place a photo of your Product etc. in your Business Web Page Ad too (no extra charge). Statistics have proven that adding an image increases the response rate by up to 3x than without one.

If you have described your product or service in great detail, they will want to click on your Company's URL that you also placed in your Business Web Page Ad, in order to get the complete details and to see all the products you offer and hopefully place an order from your Website. Have no Website, no problem; just sell your Product or Service right from the Web Page Ad itself. Upon request, we will create a [PayPal](#) order page & host the page for free for one product.

## **A Guaranteed 6000 or 3000 Shoppers To Your Business Website:**

You are guaranteed to receive a minimum of 500 Shoppers (these are real people) per month to your Company's Website, that's a minimum of 6000 Shoppers to your Website if you order the 1-Year Web Page Ad (\$20.00), a minimum of 3000 Shoppers when ordering the 6-month Web Page Ad (\$12.00)!

**Where do the Shoppers come from?** We're part of an Advertising Network of over 80,000 Websites. When we display a Pop-Under Ad here at USA Online Mall, We are showing an actual Website, and at or around the same time, a Client's Website that we are advertising is being displayed on one of the other 80,000 Websites. If a Pop-Under Ad (Website) is blocked by a Shopper on one of these sites in the Network, it's not counted against the Shoppers our Client paid for, the Website will continue to be cued for the next Shopper until our Client's Pop-Under Ad (Website) is displayed.

Think what 6000 Shoppers checking out your Company's Website can do for your Business? You will also be able to check your "Site Statistics" at your Website's Domain to see that we are sending you real traffic. **Please Note:** The Website or Webpage that you need us to Advertise, can't contain any pop-ups or pop-unders of any kind.

## **A Copy Of Nationwide Newspapers Classified Ads Software:**

Not only that, if you place a 1-Year Web Page Ad with us for only \$20.00, you will receive your very own (FREE) copy of [Nationwide Newspapers Classified Ads](#) software (\$49.00 value), listing over 5200 Newspapers, where you can make one call, one low payment (around \$1.00 per paper), and your print ads are listed in 100s, if not 1000s of Newspapers!

## **Earn Even More Shoppers To Your Business Website:**

You can join these [Ad Exchanges](#) and earn even more Shoppers to your Business Website, and not only that, you will earn extra Shoppers to your Web Page Ad here at USA Online Mall too, because we also get credit from the traffic you earn at your site when you join these [Ad Exchanges](#) listed in this eBook (see Table Of Contents), and we share all of this extra traffic with all paid Web Page Advertisers!

## **You Can Make Changes To Your Web Page Ad Whenever You Need:**

That's right, make changes easily to your Web Page Ad (using your Ad# and Password) as often as you want, free of charge, by clicking on the [Update Ads](#) button, changes are updated instantly. Add an image, like a photo of your Store, your Business Logo, or you can even use your Business Card for your image!

## **We Are Always Looking Out For New Ways To Advertise Businesses:**

Here at USA Online Mall's Marketing Service, we are always looking out for new ways to advertise your Business, and when we find them, your Business Website and Web Page Ad and URL will be included in our marketing for as long as you have a paid ad with us. Note: We will never use FFA sites when marketing your Website and ad/URL!

## **Why Are USA Online Mall's Marketing Service Rates So Low?:**

This is due to the traffic that is generated by the submission of your Ad's URL to the 2000+ Classified Ad Websites, which brings the traffic back to the Mall through your Ad, this is called Co-Op Marketing.

## **Satisfaction Guaranteed:**

If you're not satisfied for any reason, or you don't get the results you're looking for after your Business Web Page Ad duration is almost over (our Automated System will send you an Invoice Email reminder 14 days before your Web Page Ad expires), simply renew your Business Web Page Ad for the exact same duration you had previously paid for, then Email USA Online Mall [here](#) with your ad#, and we will run your Ads again for FREE, which includes another 6000 or 3000 Shoppers, and our marketing of your Ad/URL to the 2000+ Classified Ad Websites!

## **Advertising Your Free Web Page Ads/URLs Offline:**

If you're planning on advertising your free Business Web Page Ad offline, [Newspapers](#), Magazines, Business Cards etc., instead of having potential customers type in your Web Page Ad's URL (as you know is a slightly long Web Address), make it easier for them by just having them type in the Domain of your Web Page Ad:

**www.USAonlineMall.Net**

Then when your customers go to USA Online Mall, they'll see the in-house Search Engine immediately. You can have them enter your Ad # (last part of your URL: **A00000**), or your **product's name**, or your **Company** etc., and your Business Web Page Ad will be displayed to them. Make sure though that you mention this information in your offline advertising (example: go to: **www.USAonlineMall.net**, type **A00000** or your **Company's Name** for more information).

Sample Offline Classified Ads:

***World's First Changeable Banner!***  
***Letters simply slide into pockets! Go to***  
***www.usaonlinemall.net, type: [A05621](#)***

***Home Employment Opportunities!***  
***Honest Firms Need Your Help! Go to***  
***www.usaonlinemall.net, type: [A05622](#)***

However, when promoting your Business Web Page Ad on the Internet, like in an online classified ad etc., always use your Ad's URL whenever you can, so that when Shoppers click on your URL, they'll go directly

to your Web Page Ad in the Mall, this makes it easier for your potential Customers.

**To place your Ad now, select a link below to:**

**[PLACE A FREE AD](#)** or **[PLACE A PAID AD](#)**

### ***Excepting Credit Card Orders Helps In Ad's Success:***

One other thing, allowing people to pay with their Credit Card at your Website helps to greatly increase the chance of a purchase, which will make your Business Web Page Ad even more successful.

Do you need a Merchant Account so that you can **Securely** take Credit Card orders on your Website from your Customers, but can't afford or don't want to pay the monthly fees for one?

Well, we have the solution for you. The Company is called PayPal, and if you haven't heard of them by now, they are owned by eBay Inc., and I know you have heard of eBay.

USA Online Mall and Parent company Summit Merchandise are and have been using PayPal for our Merchant Account needs for now over 8 years, and we couldn't be more satisfied with them.

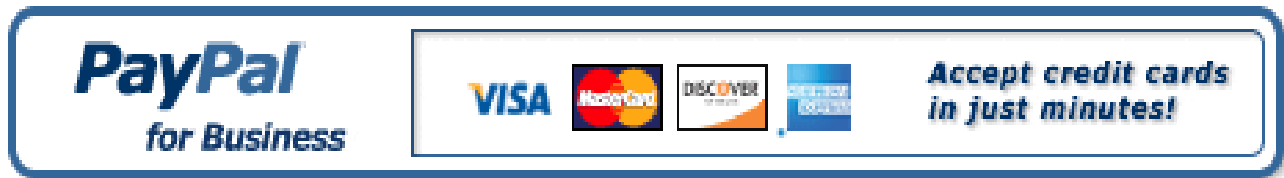

There is no signup cost for PayPal and no monthly fees, you only pay a small fee each time when your Customers pay you.

PayPal as of January 2012, charges only 2.9% + \$0.30 Transaction Fee for each order you receive.

For example, a \$10.00 order placed at your Website would cost you just \$0.59 cents ( $2.9 \times 10 = 29$  cents + 30 cents Transaction Fee). PayPal would then automatically take this off the \$10.00 order. Now depending on the cost you would have paid for the Product; the \$9.41 would be all profit!

Simply click on PayPal's banner below to go to the Merchant Account Signup Page and start accepting Credit Cards securely on your Website in just minutes! Again, there's no cost until your Customers pay you.

**Click on PayPal's Banner & start Accepting Credit Cards Today!**

## **Benefits For Placing Your Business In USA Online Mall:**

### **#1; Your Ad Instantly Becomes A Web Page:**

Simply type your Ad, and click submit, at that moment your Ad becomes a Web Page with URL and placed in our Mall's Directory. This allows you to send Customers directly to your Business Web Page Ad in the Mall from anywhere on the Internet, or offline (see benefit #6 below)! Your Web Page Ad URL will look like this, only the digits will change:

**[www.usaonlinemall.net/cgi-bin/waw/ad.pl?Id=A00000](http://www.usaonlinemall.net/cgi-bin/waw/ad.pl?Id=A00000)**

To shorten this URL for offline advertising; see below or "Advertising Your Free Web Page Ads/URLs Offline:" above.

Also, your Web Page Ad can include a photo of your Store (for a Storefront look) or Products, up to [300+] words, 3 Web site links of your own, and your Email! It's just like having a Storefront in a Brick-and-Mortar Shopping Mall only it's online! Or an interactive online brochure of your products or service, that everyone can see, and that you can easily make changes to as often as you like, at no additional cost to you!

**To place your Ad now, select a link below to:**

**[PLACE A FREE AD](#)**

or

**[PLACE A PAID AD](#)**

## **#2; Accessible: A State-Of-The-Art In-House Search Engine:**

This allows all USA Online Mall's shoppers to easily find your Business (product or service) in the Mall's Directory! Simply list in your Business Web Page Ad the products or services you are offering, add your Company name if you like, then, whenever Mall shoppers type into the Search Engine any of the products, services, or business name you listed, they will be shown your Web Page Ad.

Your customers (or potential ones) can also find your ad by them typing in your Ad number (last part of your Ad URL: **A00000**) into the Search Engine.

Another nice feature is that all Mall Shoppers can see your Business Web Page Ad by Shoppers selecting a Category, and then clicking the View Ads button located above and below the Categories, if your Business is in the Mall's Directory, and in that Category, they will see it listed! They can also view the entire listing by simply clicking the View Ads button without selecting a Category, which displays all Businesses in all Categories.

**To place your Ad now, select a link below to:**

**[PLACE A FREE AD](#)**

or

**[PLACE A PAID AD](#)**

### **#3; Businesses Are Sending People To Their Ad That Might Want What You're Offering:**

A great thing about our Web Page Ad Service is that other Businesses are sending people to their Store's Business Web Page Ad that is in USA Online Mall's Directory, from Internet advertising (see also benefit #5 below) and [Newspaper](#) classified ads etc., including Summit Merchandise, parent Company of USA Online Mall. What does this mean for you? Shoppers being sent to the Mall from other Businesses advertising, that might also want what you have to offer, this is called "Collective Marketing"!

**To place your Ad now, select a link below to:**

[\*\*PLACE A FREE AD\*\*](#)

or

[\*\*PLACE A PAID AD\*\*](#)

### **#4; Cost: One Of The Lowest In The Industry:**

With USA Online Mall's Business Web Page Ads (remember, they have their own URLs) being one of the lowest in the industry at just \$20.00 annually (again, you receive a Web Page Ad with its own URL web address, a Business Ad submitted to 2000+ Classified Ad Websites monthly, and 3000 or 6000 visitors to your Company's Website are included with 6-month and 12 month Web Page Ads)!

**To place your Ad now, select a link below to:**

[\*\*PLACE A FREE AD\*\*](#)

or

[\*\*PLACE A PAID AD\*\*](#)

## **#5; Our Marketing Service Benefits**

### **ALL Businesses in the Mall:**

This is another Service that we offer, that can benefit **ALL** Businesses in the Mall (see benefits #3 & #6). With a 6-month Web Page Ad placement in USA Online Mall, you will receive 3000 visitors to your Website, and 10 to 30 words of your Business Web Page Ad with Ad URL submitted to 2000+ Classified Ad Websites for just \$12.00.

With a 1-year Web Page Ad placement in USA Online Mall, you will receive 6000 visitors to your Website, and 10 to 30 words of your Business Web Page Ad with Ad URL submitted to 2000+ Classified Ad Websites for just \$20.00.

**To place your Ad now, select a link below to:**

**[PLACE A FREE AD](#)**

or

**[PLACE A PAID AD](#)**

## **#6; Save Money On Your Newspaper Classified Ads:**

Tired of spending huge amounts of money on "large" classified ads in newspapers, or magazines, making or trying to make sales directly from the ads themselves? Well then, using our free Web Page Ad/URL can save you money with your [newspaper advertising](#) cost, by including a URL in the classified ad, and letting the Business Web Page Ad (300+ words w/photo) sell the item for you.

You now can place "small" classified ads (with attention getting headlines) in Newspapers, and send people to your online Web Page Ad. Customers will now see what it is you're selling (since you can upload a photo too), and they can be completely sold on the item just from the Business Web Page Ad itself!

Sample Offline Classified Ads:

***World's First Changeable Banner! Letters  
simply slide into pockets! Goto  
[www.usaonlinemall.net](http://www.usaonlinemall.net), type: [A05621](#)***

***Home Employment Opportunities! Honest  
Firms Need Your Help! Goto  
[www.usaonlinemall.net](http://www.usaonlinemall.net), type: [A05622](#)***

For the sample classified ads above, we used the last part of our Web Page Ad URLs: **A05621** and **A05622**. You may use your Company's name, your Product, or even your Web Page Ad URL, which would be slightly long to type in, then when your potential customers go to:

**[www.usaonlinemall.net](http://www.usaonlinemall.net)**

All they need to do is enter your Ad# (again, last part of your URL: **A00000**) or whatever you want them to enter into the Search Engine, and your Business Web Page Ad will be shown to them.

Here's an example of an offline ad, a person who owns a Restaurant named Tom's Cafe. In this example, this Business would need to include the words **Tom's Cafe** anywhere in their Business Web Page Ad:

***Best dinners in Town! See Tom's daily Specials, Go to [www.usaonlinemall.net](http://www.usaonlinemall.net), type: Tom's Café***

You can easily update your Web Page Ad text/photo 24/7 at no charge.

So why would you spend extra money for that 25+ word Newspaper classified ad, when you can place a 10 to 15 word Newspaper classified ad instead, and let the Web Page Ad do the selling? See "Advertising Your Free Web Page Ads/URLs Offline" on page #17 above for more details on the best ways to market offline using your new Web Page Ad URL(s).

### **#8; Code Amber Display, How You Will Be Helping Too:**

We here at USA Online Mall believe in the Code Amber cause. that is, to help save children that are in danger. To do our part, we display their "Code Amber" ticker on this Web Site, and now you can help too, because each Web Page Ad that's created, automatically displays a small Code Amber button (link to Code Amber's Web Site) on the left side of a Web Page Ad (does not interfere with your ad content), this will help them get the Code Amber message out over the Internet much faster.
